Dear Kuemper Family,

Thank you for helping Kuemper get through the current COVID-19 pandemic. Fr. Kuemper and the Franciscan Sisters back in 1918 experienced the global pandemic of the Spanish flu. They obviously kept faith and hope for the future helping create our strong parish life and Catholic school we enjoy today. It's our turn to keep our faith strong in 2020.

We continue to streamline our registration process. Instructions are below. Contact the Business Office or email registration@kuemper.org with questions. Thanks again for your faith in the Kuemper system.

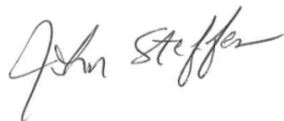

We Are Kuemper!
